## Akt I

### Simo Sosia

[28] [SIMO SENEX]:	<b>Vōs</b> <b>istaec</b> <b>intrō</b> <b>auferte:</b> <b>abīte.</b> <b>Sōsia,</b>
	you those things inside carry away: go away.
[29]	<b>adēs</b> <b>dum:</b> <b>paucīs</b> <b>tē</b> <b>volō.</b> <b>dictum</b> <b>putā:</b>
	be present now: you I want. it said consider:
[30] [SOSIA LIBERTUS]:	<b>nempe</b> <b>ut</b> <b>cūrentur</b> <b>rēctē</b> <b>haec?</b> <b>immō</b> <b>aliud.</b> <b>quid</b> <b>est</b>
	surely that they be cared for properly these? nay rather another thing. what is
[31]	<b>quod</b> <b>tibi</b> <b>mea</b> <b>ars</b> <b>efficere</b> <b>hōc</b> <b>possit</b> <b>amplius?</b>
	what for you to accomplish in this can more?
[32] [SIMO SENEX]:	<b>nīl</b> <b>istāc</b> <b>opus</b> <b>est</b> <b>arte</b> <b>ad</b> <b>hanc</b> <b>rem</b> <b>quam</b> <b>parō,</b>
	nothing with that is for this which I prepare,
[33]	<b>sed</b> <b>eīs</b> <b>quās</b> <b>semper</b> <b>in</b> <b>tē</b> <b>intellēxī</b> <b>sitās,</b>
	but in those which always in you I understood having been placed,
[34]	<b>fidē</b> <b>et</b> <b>taciturnitāte.</b> <b>exspectō</b> <b>quid</b> <b>velīs.</b>
	and I await what you may wish.
[35]	<b>ego</b> <b>postquam</b> <b>tē</b> <b>ēmī,</b> <b>ā</b> <b>parvulō</b> <b>ut</b> <b>semper</b> <b>tibi</b>
	I after you I bought, from that always for you
[36]	<b>apud</b> <b>mē</b> <b>jūsta</b> <b>et</b> <b>clēmēns</b> <b>fuerit</b> <b>servitus</b>
	with me and has been
[37]	<b>scīs.</b> <b>fēcī</b> <b>ex</b> <b>servō</b> <b>ut</b> <b>essēs</b> <b>libertus</b> <b>mihi,</b>
	you know. I made from that you might be for me,
[38]	<b>proptereā</b> <b>quod</b> <b>servibās</b> <b>liberāliter:</b>
	for this reason because you were serving nobly:
[39]	<b>quod</b> <b>habuī</b> <b>summum</b> <b>pretium</b> <b>persolvī</b> <b>tibi.</b>
	what I had I paid to you.
[40] [SOSIA LIBERTUS]:	<b>in</b> <b>memoriā</b> <b>habeō.</b> <b>haud</b> <b>mūtō</b> <b>factum.</b> <b>gaudeō</b>
	in I hold. not I change the deed. I rejoice
[41]	<b>sī</b> <b>tibi</b> <b>quid</b> <b>fēcī</b> <b>aut</b> <b>faciō</b> <b>quod</b> <b>placeat,</b> <b>Simō,</b>
	if for you anything I did or I do which may please,

- [42] et id grātum fuisse advorsum tē habeō grātiam.  
and that to have been towards you I have
- [43] sed hoc mihi molestumst; nam istaec commemorātiō  
but this to me is troublesome; for that
- [44] quasi exprobrātiōst immemoris benefici.  
as if is a reproach
- [45] quīn tū ūnō verbō dic quid est quod mē velis.  
come now you say what is that me you may want.
- [46] [SIMO SENEX]: ita faciam. hoc primum in hāc rē praedicō tibi:  
so I will do. this first in this I tell beforehand to you:
- [47] quās crēdis esse hās nōn sunt vērae nūptiae.  
which you believe to be these not are nuptials.
- [48] [SOSIA LIBERTUS]: cūr simulās igitur? rem omnem ā principiō audiēs:  
why you pretend then now? from you will hear:
- [49] [SIMO SENEX]: eō pactō et gnātī vītam et cōnsilium meum  
in that and and
- [50] cognōscēs et quid facere in hāc rē tē velim.  
you will learn and what to do in this you I would wish.
- [51] nam is postquam excessit ex ephēbis, Sōsia, et  
for he after he departed out of and
- [52] librius vivendī fuit potestās (nam antea  
more freely of living was (for before

that to they may join, or

to keep or for hunting or to
- [58] hōrum ille nīl ēgregiē praeter cētera  
of these he nothing remarkably beyond
- [59] studēbat et tamen omnia haec mediōcriter.  
he used to pursue and nevertheless these moderately.
- [60] gaudēbam. nōn injuriā; nam id arbitror  
I was glad. not for that I think
- [61] [SOSIA LIBERTUS]: apprīmē in vītā esse ūtile, ut nēquid nimis.  
especially in to be that not anything too much.
- [62] [SIMO SENEX]: sīc vīta erat: facile omnis perferre ac pati;  
thus was: easily to carry through and to suffer;
- [63] cum quibus erat cumque ūnā is sēsē dēdere,  
with whom he was ever together them himself to give,
- [64] eōrum obsequi studiis, adversus nēmīnī,  
of them to comply against
- [65] numquam praepōnēs sē illis; ita ut facillimē  
never putting before himself those; thus so that most easily
- [66] sine invidiā laudem inveniās et amicōs parēs.  
without you may find and
- [67] [SOSIA LIBERTUS]: sapienter vītam instituit; namque hōc tempore  
wisely he ordered; for indeed this
- [68] obsequium amicōs, vērītās odium parit.  
brings forth.
- [69] [SIMO SENEX]: interea mulier quaedam abhinc triennium

from moved hither

                          having been forced,                    and

                          ah!    I fear    lest anything                    may bring
- [74] [SIMO SENEX]: **primō haec pudicē vītā parcē ac dūriter**  
                          at first    this    chastely                    sparingly and    harshly
- [75]                    **agēbat,**                    **lānā et tēlā vīctum quaeritāns;**  
                          she was conducting,                    and                    seeking;
- [76]                    **sed postquam amāns accessit pretium pollicēns**  
                          but    after                    lover    approached                    promising
- [77]                    **ūnus et item alter, ita ut ingeniumst omnium**  
                          and    also                    so as    nature is
- [78]                    **hominum ab labōre prōclīve ad libīdinem,**  
                          from                    toward
- [79]                    **accēpit condiōnem, dehinc quaestum occipit.**  
                          she accepted                    then                    to gain    she begins.
- [80]                    **quī tum illam amābant forte, ita ut fit, filium**  
                          who then that    were loving by chance, so as it happens,

                          they led to    thither, with them that together he might be,
- [82]                    **egomet continuō mēcum 'certē captus est:**

                          he has.    I was watching    in the morning of them
- [84]                    **venientīs aut abeuntīs: rogitābam 'heus puer,**  
                          coming    or    going away:    I kept asking    'hey

                          say please, who yesterday                    had?    for of Andros
- [86]                    **illī id erat nōmen. teneō. Phaedrum aut Cliniam**

                          anything    to pertain.    indeed    to watch    enough
- [92]                    **putābam et magnum exemplum continentiae;**  
                          I was thinking and
- [93]                    **nam quī cum ingeniīs cōflīctātur ejus modī**

- [100]                    **ultrō ad mē vēnit, ūnicam gnātam suam**  
                          of his own accord to me came,
- [101]                    **cum dōte summā filiō uxōrem ut daret.**  
                          with                    for the son                    so that he might give.

- [102] **placuit: dēspōndī. hic nūptiis dictust diēs.**  
it pleased: I betrothed. this has been appointed
- [103] [SOSIA LIBERTUS]: **quid obstat cur nōn vērae fiant? audiēs.**  
what stands in the way why not they may become ?? you will hear.
- [104] [SIMO SENEX]: **fermē in diēbus paucis quibus haec ācta sunt**  
nearly in in which these things having been done were
- [105] **Chrýsis vicīna haec moritur. ō factum bene!**  
this dies. o well!
- [106] [SOSIA LIBERTUS]: **beāsti; eī metuī ā Chrýside. ibi tum filius**  
you have blessed; for her I feared from there then
- [107] [SIMO SENEX]: **cum illis quī amābant Chrýsidem ūnā aderat frequēs;**  
with those who were loving together was present
- [108] **cūrābat ūnā fūnus; trīstis interim,**  
he was tending together meanwhile,
- [109] **nōnnumquam collacrimābat. placuit tum id mihi.**  
sometimes he wept along. it pleased then this to me.
- [110] **sīc cōgitābam 'hic parvae cōsuētūdinis**

of this one so he bears as among family:
- [112] **quid sī ipse amāset? quid hic mihi faciet patrī? '**  
what if himself he had loved ?? what this one for me will he do
- [113] **haec ego putābam esse omnia hūmānī ingenī**  
these things I was thinking to be
- [114] **mānsuētique animī officia. quid multis moror?**  
why do I delay ??

I myself also of her into I go forth,
- [116] **nīl suspicāns etiam malī. hem quid id est? sciēs.**  
nothing suspecting also ah what this is ?? you will know.
- [117] **effertur; īmus. intereā inter mulierēs**  
is borne out; we go. meanwhile among
- [118] **quae ibi aderant forte ūnam aspiciō adulēscēntulam**  
who there were present by chance I catch sight of
- [119] **formā. . . bonā fortasse. et vultū, Sōsia,**  
perhaps. and
- [120] **adeō modestō, adeō venustō ut nīl suprā.**  
so so that nothing beyond.
- [121] **quia tum mihi lāmentārī praeter cēterās**  
because then to me to lament beyond
- [122] **vīsast et quia erat fōrmā praeter cēterās**  
she seemed and because was beyond
- [123] **honestā ac liberālī, accēdō ad pedisequās,**  
and I approach to
- [124] **quae sit rogō: sorōrem esse ajunt Chrýsidis.**  
who she may be I ask: to be they say
- [125] **percussit ilicō animum. attāt hoc illud est,**  
struck straightway ah this that is,
- [126] **hinc illae lacrumae, haec illast misericordia.**  
from here those this that is
- [127] [SOSIA LIBERTUS]: **quam timeō quōrsum ēvādās! fūnus interim**  
how I fear to what end you may turn out! meanwhile
- [128] [SIMO SENEX]: **prōcēdit: sequimur; ad sepulcrum vēnimus;**  
proceeds: we follow; to we came;
- [129] **in ignem impositast; flētur. intereā haec soror**  
onto has been placed; is wept. meanwhile this
- [130] **quam dixī ad flammam accessit imprudentius,**  
whom I said to she approached more rashly,
- [131] **satis cum periclō. ibi tum exanimātus Pamphilus**  
enough with there then having been stunned

- [132] bene dissimulātum amōrem et cēlātum indicat:  
well having been hidden and having been concealed he reveals:
- [133] accurrit; mediam mulierem complectitur:  
he runs up; he embraces:
- [134] 'mea Glycerium,' inquit 'quid agis? cūr tē īs perditum? '  
he says 'what are you doing ?? why you are you going to ruin?
- [135] tum illa, ut cōnsuētum facile amōrem cernerēs,  
then she, so that accustomed easily you might discern,
- [136] rejēcit sē in eum flēns quam familiāriter!  
she cast back herself into him weeping how familiarly!
- [137] [SOSIA LIBERTUS]: quid ais? redeō inde irātus atque aegrē ferēs;  
what do you say ?? I return thence and with difficulty bearing;
- [138] [SIMO SENEX]: nec satis ad objūrgandum causae. dīceret  
nor enough for scolding he might say
- [139] 'quid fēcī? quid commeruī aut peccāvī, pater?  
'what have I done ?? what have I deserved or have I sinned,
- [140] quae sēsē in ignem inicere voluit, prohibuī  
she who herself into to throw willed, I prevented
- [141] servāvī.' honesta ōrātiōst. rēctē putās;  
I saved.' rightly you think;
- [142] [SOSIA LIBERTUS]: nam sī illum objūrgēs vītae quī auxilium tulit,  
for if him you rebuke who brought,
- [143] quid faciās illī quī dederit damnum aut malum?  
what would you do for that one who will have given or
- [144] [SIMO SENEX]: vēnit Chremēs postridiē ad mē clāmitāns:  
came on the next day to shouting:
- [145] indignum facinus; comperisse Pamphilum  
to have found out
- [146] prō uxōre habēre hanc peregrīnam. ego illud sēdulō  
as to have this I that assiduously
- [147] negāre factum. ille īnstāt factum. dēnique  
to deny he insists finally
- [148] ita tum discēdō ab illō, ut quī sē filliam  
thus then I depart from him, so that he who himself
- [149] neget datūrum. nōn tū ibi gnātum. . . ? nē haec quidem  
he may deny about to give. not you there not these indeed
- [150] satis vehemēns causa ad objūrgandum. quī? cedo.  
enough for scolding. how so ?? tell me.
- [151] 'tūte ipse his rēbus finem praescripstī, pater:  
'you yourself yourself to these you have pre scribed,
- [152] prope adest cum aliēnō mōre vīvendumst mihi:  
near is at hand with to be lived for me:
- [153] sine nunc meō mē vīvere intereā modō.'  
allow now me to live meanwhile
- [154] [SOSIA LIBERTUS]: quī igitur relictus est objūrgandī locus?  
what therefore now left is of scolding
- [155] [SIMO SENEX]: sī propter amōrem uxōrem nōlet dūcere:  
if because of will not want to marry:
- [156] ea primum ab illō animum advortenda injūriast;  
this first from by that man to be turned toward
- [157] et nunc id operam dō, ut per falsās nūptiās  
and now this I give, so that through
- [158] vēra objūrgandī causa sit, sī dēneget;  
of scolding may be, if he may deny;
- [159] simul scelerātus Dāvus sī quid cōnsili  
at the same time if anything
- [160] habet, ut cōnsūmat nunc cum nīl obsint doli;  
he has, so that he may use up now when nothing may hinder
- [161] quem ego crēdō manibus pedibusque obnīxē omnia  
whom I believe strenuously

[162] **factūrum**, magis id adeō mihi ut **incommodet**  
about to do, more this to that degree for me that he may trouble

[163] **quam ut obsequātur gnātō. quāpropter? rogās?**  
than that he may comply for which reason ?? do you ask ??

[164] **mala mēns, malus animus. quem quidem ego sī sēnsērō.** . .  
whom indeed I if I will have perceived.

[165] **sed quid opust verbīs? sīn ēveniat quod volō,**  
but what need is but if it may turn out what I want,

[166] **in Pamphilō ut nīl sit morae, restat Chremēs**  
in that nothing may be remains

[167] **cui mī expūrgandus est: et spērō cōnfore.**  
for whom for me to be cleared is: and I hope to turn out.

[168] **nunc tuumst officium hās bene ut assimulēs nūptiās,**  
now these well that you may simulate

[169] **perterrefaciās Dāvum, observēs filium**  
you may frighten thoroughly you may watch

[170] **quid agat, quid cum illō cōnsilī captet. sat est:**  
what he may do, what with that man he may grasp. enough is:

[171] [SOSIA LIBERTUS]: **cūrābō. eāmus nūnciam intrō: ī prae, sequar.**  
I will take care. let us go right now inside: go ahead, I will follow.

## Simo Davus

[172] [SIMO SENEX]: **Nōn dubiumst quīn uxōrem nōlit filius;**  
not but that he may not want

[173] **ita Dāvum modo timēre sēnsī, ubi nūptiās**  
so just now to fear I perceived, when

[174] **futūrās esse audivit. sed ipse exit forās.**  
about to be to be he heard. but himself goes out outside.

[175] [DAVUS SERVUS]: **mīrābar hoc sī sic abiret et erī semper lēnitās**  
I was wondering this if thus he might depart and always

[176] **verēbar quōrsum ēvāderet.**  
I was fearing to what end he might turn out.

[177] **quī postquam audierat nōn datum irī filiō uxōrem suō,**  
who after he had heard not given to be about to be

[178] **numquam cuiquam nostrum verbum fēcīt neque id aegrē tulit.**  
never to anyone of us he made nor this with difficulty he bore.

[179] [SIMO SENEX]: **at nunc faciet neque, ut opīnor, sine tuō magnō malō.**  
but now he will do nor, as I suppose, without

[180] [DAVUS SERVUS]: **id voluit nōs sic necopināntīs dūcī falsō gaudiō,**  
this he willed us thus not expecting to be led

[181] **spērāntīs jam āmōtō metū, interōscitantīs opprimī,**  
hoping already having been removed questioning constantly to be crushed,

[182] **ne esset spatium cōgitandī ad disturbandās nūptiās:**  
lest there might be of thinking for to be disrupted

[183] **astūtē. carnufex quae loquitur? erus est neque prōvīderam.**  
shrewdly. what he speaks? is nor I had foreseen.

[184] [SIMO SENEX]: **Dāve. hem quid est? eho dum ad mē. quid hic vult? quid aīs? quā dē rē?**  
ah what is? hey just now to me. what this one wants? what do you say? which about  
**rogās?**  
do you ask ??

[185] **meum gnātum rūmor est amāre. id populus cūrat scīlicet.**  
is to love. this cares of course.

[186] **hoccin agis an nōn? ego vērō istūc. sed nunc ea mē exquirere**  
this ? do you do or not? I indeed that. but now these things me to ask out

[187] **iniquī patris est; nam quod antehāc fēcīt nīl ad mē attinet.**  
is; for what before now he did nothing to me pertains.

[188] **dum tempus ad eam rem tulit, sīvī animum ut explēret suum;**  
while for that brought, I allowed that he might fulfil

[189] **nunc hic diēs aliam vītam dēfert, aliōs mōrēs postulat:**  
now this brings, demands:

- [190] dehinc postulō sive aequumst tē ōrō, Dāve, ut redeat jam in viam.  
then I demand or if you I ask, that he may return now into
- [191] hoc quid sit? omnēs qui amant graviter sibi dari uxōrem ferunt.  
this what may be? who love seriously for themselves to be given they bear.
- [192] [DAVUS SERVUS]: ita ajunt. tum siquis magistrum cēpit ad eam rem improbum,  
so they say. then if anyone took for that
- [193] [SIMO SENEX]: ipsum animum aegrōtum ad dēteriōrem partem plērumque applicat.  
the very to for the most part he applies.
- [194] [DAVUS SERVUS]: nōn hercle intellegō. nōn? hem. nōn: Dāvus sum, nōn Oedipus.  
not by Hercules I understand. not? ah. not: I am, not
- [195] [SIMO SENEX]: nempe ergō apertē vīs quae restant mē loquī? sānē quidem.  
surely therefore openly you wish which things remain me to speak? indeed indeed.
- [196] sī sēnsērō hodiē quicquam in hīs tē nūptiīs  
if I will have perceived today anything in these you
- [197] fallāciae cōnārī quō fiant minus,  
to try so that they may become less,
- [198] aut velle in eā rē ostendī quam sīs callidus,  
or to wish in that to be shown how you may be
- [199] verberibus caesum tē in pistrīnum, Dāve, dēdam usque ad necem,  
having been beaten you into I will hand over all the way to
- [200] eā lēge atque ōmine ut, si tē inde exēmerim, ego prō tē molam.  
with that and such that, if you from there I may have removed, I for you I will grind.
- [201] quid, hoc intellexī? an nōndum etiam nē hoc quidem? immō callidē:  
what, this have you understood? or not yet also not this indeed? nay rather cleverly:
- [202] [DAVUS SERVUS]: ita apertē ipsam rem modo locutus nīl circum itīōne ūsus ēs.  
so openly just now having spoken, nothing around having used you have.
- [203] [SIMO SENEX]: ubivīs facilius passus sim quam in hāc rē mē dēlūdier.  
anywhere more easily having endured I may be than in this me to be fooled.
- [204] [DAVUS SERVUS]: bona verba, quaesō! irrīdēs? nīl mē fallis. ēdicō tibi:  
please! do you mock ?? nothing me you deceive. I declare to you:
- [205] [SIMO SENEX]: nē temere faciās; neque tū haud dicās tibi nōn praedictum: cavē!  
do not rashly you do; and not you not you say to you not fore told: beware!

## Davus

- [206] [DAVUS SERVUS]: Enimvērō, Dāve, nīl locīst sēgnitiae neque socordiae,

by what and by what into he will throw.
- [215] ad haec mala hoc mī accēdit etiam: haec Andria,  
to these this to me accrues also: this
- [216] sī ista uxor sive amīcast, grāvīda ē Pamphilōst.  
if that or if is a girlfriend, from Pamphilus is.

- [498] [DAVUS SERVUS]: **teneō quid erret et quid agam habeō. quid tacēs?**  
I understand what he may err and what I may do I have. why are you silent ??
- [499] **quid crēdās? quasi nōn tibi renūtiāta sint haec sic fore.**  
what would you believe ?? as if not to you having been reported may be these things thus to be.
- [500] [SIMO SENEX]: **mihin quisquam? eho an tūte intellexī assimilārīer? irrīdeor.**  
to me ? anyone ?? hey or you yourself have you understood to be pretended ?? I am mocked.
- [501] [DAVUS SERVUS]: **renūtiātumst; nam quī istaec tibi incidit suspiciō?**  
it has been reported; for how that thing to you falls
- [502] [SIMO SENEX]: **quī? quia tē nōram. quasi tū dicās factum id cōsiliō meō.**  
how ?? because you I had known. as if you you may say having been done this
- [503] **certē enim sciō. nōn satis mē pernōstī etiam quālis sim, Simō.**  
surely indeed I know. not enough me you have thoroughly known also I may be,
- [504] **egon tē? sed sīquid tibi nārrāre occēpī, continuō darī**  
do I ? you? but if anything to you to tell I began, immediately to be given
- [505] [DAVUS SERVUS]: **tibi verba cēnsēs falsō, itaque hercle nīl jam muttīre audeō.**  
to you you think falsely, and so by Hercules nothing now to mutter I dare.
- [506] [SIMO SENEX]: **hoc ego sciō ūnum, nēmīnem peperisse hīc. intellexī;**  
this I know no one to have borne here. you have understood;
- [507] [DAVUS SERVUS]: **sed nīlō sētius referētur mox hūc puer ante ōstium.**  
but less will be brought soon hither before
- [508] **id ego jam nunc tibi, ere, renūtiō futūrum, ut sīs sciēs,**  
this I already now to you, I report about to be, so that you may be knowing,
- [509] **nē tū hoc posterius dicās Dāvī factum cōsiliō aut dolīs.**  
lest you this later you may say of Davus having been done or
- [510] **prōrsus ā mē opīniōnem hanc tuam esse ego āmōtam volō.**  
absolutely from me this to be I having been removed I want.
- [511] [SIMO SENEX]: **unde id scīs? audīvī et crēdō: multa concurrunt simul**  
from where this do you know ?? I have heard and I believe: run together at once
- [512] [DAVUS SERVUS]: **quī conjectūram hanc nunc faciō. jam prius haec sē ē Pamphilō**  
since this now I make. already before this woman herself from Pamphilus
- [513] **gravīdam dīxit esse: inventumst falsum. nunc, postquam videt**  
she said to be: it has been found now, after she sees
- [514] **nūptiās domī apparārī, missast ancilla ilicō**  
to be prepared, has been sent straightway
- [515] **obstetricem accersitum ad eam et puerum ut afferret simul.**  
to fetch to her and so that she might bring at once.
- [516] **hoc nisi fit, puerum ut tū videās, nīl moventur nūptiae.**  
this unless happens, that you may see, nothing are moved
- [517] [SIMO SENEX]: **quid aīs? cum intellēxerās**  
what do you say ?? when you had understood
- [518] **id cōsiliū capere, cūr nōn dīxtī extemplō Pamphilō?**  
this to take, why not did you say immediately to Pamphilus ??
- [519] [DAVUS SERVUS]: **quis igitur eum ab illā abstrāxit nisi ego? nam omnēs nōs quidem**  
who then him from that woman has drawn away except me ?? for we indeed
- [520] **scīmus quam miserē hanc amārit: nunc sibi uxōrem expetit.**  
we know how wretchedly this woman he has loved: now for himself he seeks.
- [521] **postrēmō id mihi dā negōtī; tū tamen idem hās nūptiās**  
finally this to me give you however these
- [522] **perge facere ita ut facis, et id spērō adjūtūrōs deōs.**  
go on to do thus as you do, and this I hope about to help
- [523] [SIMO SENEX]: **immō abī intrō: ibi mē opperīre et quod parātō opus est parā.**  
nay rather go away inside: there me wait for and what with the prepared is prepare.

[524]	<b>nōn impulit mē haec nunc omnīnō ut crēderem;</b> not has impelled me these things now at all that I might believe;
[525]	<b>atque haud sciō an quae dixit sint vēra omnia,</b> and also not I know whether which things he said may be
[526]	<b>sed parvī pendō: illud mihi multō maximumst</b> but I value: that for me
[527]	<b>quod mihi pollicitust ipsus gnātus. nunc Chremem</b> what to me has promised now Chremes
[528]	<b>conveniam, ōrābō gnātō uxōrem: sī impetrō,</b> I may meet, I will ask for the son if I obtain,
[529]	<b>quid aliās mālim quam hodiē hās fierī nūptiās?</b> what else should I prefer than today these to happen
[530]	<b>nam gnātus quod pollicitust, haud dubiumst mihi, id</b> for what has promised, not to me, that
[531]	<b>sī nōlīt, quīn eum meritō possim cōgere.</b> if he may not wish, but that him I may be able to compel.
[532]	<b>atque adeō in ipsō tempore eccum ipsum obviam.</b> and also actually in look him coming toward.

[544] [CHARINUS ADULESCENS]:	<b>quasi hoc tē ōrandō ā mē impetrāre oporteat.</b> as if this you by praying from me to obtain it may be proper.
[545]	<b>aliū esse cēnsēs nunc mē atque ōlim cum dabam?</b> to be do you think now me and once when I was giving?
[546]	<b>sī in remst utriūque ut fiant, accersī jubē;</b> if in to advantage it is to both that they may happen, to be summoned order;
[547]	<b>sed sī ex eā rē plūs malīst quam commodī</b> but if out of that more of harm it is than
[548]	<b>utriūque, id ōrō tē in commūne ut cōsulās,</b> for both, that I beg you in that you may consider,
[549]	<b>quasi sī illa tua sit Pamphilique ego sim pater.</b> as if if that may be of Pamphilus and I I may be
[550] [SIMO SENEX]:	<b>immō ita volō itaque postulō ut fiat, Chremē,</b> nay rather thus I want and so I demand that it may happen,

## Akt IV

### Charinus Pamphilus Davus

- [625] [CHARINUS ADULESCENS]: **Hoccinest crēdibile aut memorābile,**  
this then is or
- [626] **tanta vēcordia innāta cuiquam ut siet**  
having been born to anyone that it may be
- [627] **ut malis gaudeant atque ex incommodis**  
that they may rejoice and from
- [628] **alterius sua ut comparent commoda? āh**  
of another that they may get together ah
- [629] **idnest vērum? immō id est genus hominum pessimum in**  
that then is nay rather that is in

- [630] **dēnegandō modō quīs pudor paulum adest;**  
by denying only who a little is present;
- [631] **post ubī tempus prōmissa jam perfici,**  
after when promised things now to be completed,
- [632] **tum coāctī necessariō sē aperiunt,**  
then having been compelled necessarily themselves they open,
- [633] **et timent et tamen rēs premit dēnegāre;**  
and they fear and nevertheless presses to deny;
- [634] **ibi tum eōrum impudentissima ōrātiōst**  
there then of them
- [635] **‘quis tu ēs? quis mihi ēs? cūr meam tibi? heus**  
‘who you are ?? who to me are ?? why for you? hey
- [636] **proximus sum egomet mihi.’**  
I am I myself to me.’
- [637] **at tamen ‘ubi fidēs?’ sī rogēs,**  
but nevertheless ‘where if you may ask,
- [638] **nīl pudēt hīc, ubi opus; illī ubi**  
nothing it shames here, where to that one where
- [638a] **nīl opust, ibi verentur.**  
nothing there is need, there they fear.
- [639] **sed quid agam? adeōn ad eum et cum eō injūriam hanc expostulem?**  
but what I may do? go ? to him and with him this I may remonstrate?
- [640] **ingeram mala multa? atque aliquis dīcat ‘nīl prōmōveris’:**  
I may heap and someone may say ‘nothing you have advanced:
- [641] **multum: molestus certē eī fuerō atque animō mōrem gesserō.**  
much: indeed to him I will have been and I will have borne.
- [642] [PAMPHILUS ADULESCENS]: **Charīne, et mē et tē imprūdēs, nisi quid dī respiciunt, perdidī.**  
and me and you unless something look back to, I have ruined.
- [643] [CHARINUS ADULESCENS]: **itane ‘imprūdēs’? tandem inventast causa: solvistī fidem.**  
is it so at last has been found you have broken
- [644] [PAMPHILUS ADULESCENS]: **quid ‘tandemi’? etiamnunc mē dūcere istīs dictīs postulās?**  
what ‘at last? still now me to lead by those do you demand?
- [645] **quid istūc est? postquam mē amāre dīxī, complacitast tibi.**  
what that thing is? after me to love I said, has been pleasing for you.
- [646] [CHARINUS ADULESCENS]: **heu mē miserum quī tuum animum ex animō spectāvī meō!**  
alas me who out of I have looked at
- [647] [PAMPHILUS ADULESCENS]: **falsus ēs. nōn tibi sat esse hoc solidum vīsumst gaudium,**  
you are. not to you enough to be this has seemed
- [648] [CHARINUS ADULESCENS]: **nisi mē lactāssēs amantem et falsā spē prōdūcerēs?**  
unless me you had coaxed loving and you might lead on?
- [649] **habeās. habeam? āh nescīs quantīs in malīs vorser miser**  
you may have. may I have? ah you do not know in I am whirled
- [650] [PAMPHILUS ADULESCENS]: **quantāsque hic suis cōsiliis mihi cōnflāvit sollicitudinēs**  
this for me he has forged
- [651] **meus carnufex. quid istūc tam mīrumst dē tē sī exemplum capit?**  
what that thing so is marvellous about you if he takes?
- [652] **haud istūc dīcās, sī cognōrīs vel mē vel amōrem meum.**  
not that thing you may say, if you may have known or me or
- [653] [CHARINUS ADULESCENS]: **scio: cum patre altercāstī dūdum et is nunc proptereā tibi**  
I know: with you have quarrelled just now and he now for that reason to you

is angry and not you he was able today to compel that woman that you might lead.
- [655] [PAMPHILUS ADULESCENS]: **immō etiam, quō tū minus scīs aerumnās meās,**  
nay rather also, whereby you less you know
